

# GZ-A Digital Display High Power Laboratory Electric Stirrer/Overhead Stirrer

## Basic Info

- Model NO.: GZ-A
- Structure: Desktop
- Certification: ISO, SGS
- Trademark: JY
- Specification: 1 pc in 1 box
- HS Code: 8479820090
  
- Customized: Customized
- Material: Stainless Steel
- Application: School, Hospital, Lab
- Transport Package: Carton
- Origin: China

## Product Description

Brief Introduction:

1. High power, 20L of capacity, 2-step speed regulate, durable
2. CE, ISO13485/14001/9001
3. SGS Audited Factory Since 1984

<b>Specifications of GZ-A Digital Display High Power Electric Stirrer</b>	
Power Supply	AC 220V 50Hz/60Hz
Speed	60-500rpm(stepI), 240-2000rpm(step II)
Motor power	200W
Max. stirring capacity	20Liter
Maximum moment of stirring shaft:	1850gcm
Applicable medium viscosity	0-10000mpas
Large capacity, easy to use, cost-efficient, digital display, widely applicable.
