HONGDU TESTING EQUIPMENT CO., LTD.

HD-2010 Tensile machine (manual type)

HD-2010 is mainly used for manual tension and pressure testing.

Technical Parameters:

Serial number	Project	Specifications
1	Maximum load	500N
2	Operating range	0-115mm
3	Wire diameter	0-8mm
4	Force accuracy	±1%
5	Volume	265mm×530mm×340mm
