PRODUCT DETAILS PRODUCT VIDEO

Product Description

vertical machine bed is a tension,compressive test stand applied with all kinds of Push Pull Gauge.The Test Stand has good stability,wide application and convenient to use.It has no polar timing,convert functions of manually operation and automatic,specialized for tension,compression,insertion,withdraw and fracture test.

Main Features

Model	HSL-500N-20mm	HSL-500N-400mm	HSL-500N-700mm	HSL-1000N-200mm	HSL-1000N-400mm	HSL-1000N-700mm
Load	500N			1000N		
Effective Stroke	200mm	400mm	700mm	200mm	400mm	700mm
Testing speed	25-280mm/min					
Voltage	AC220V , or can be custom made					
Dimension	28*34*78cm	28*34*98cm	28*34*127cm	28*34*78cm	28*34*98cm	28*34*127cm
Net weight	38kg	40kg	42kg	38kg	40kg	42kg
