

• AS817 Humidity Temperature Meter

Product No.: • AS817

Introduction: Quickly and conveniently take accurate humidity and temperature readings.

FEATURES

Quickly and conveniently take accurate humidity and temperature readings. It is an ideal humidity & temperature meter instrument with scores of practical applications for laboratorial, industrial, engineer and professional use.

SPECIFICATIONS

Temperature Measuring Range	-10°C~50°C
Humidity Measuring Range	5%RH~98%RH
Accuracy of Temperature	±1.5°C
Accuracy of Humidity	±5%RH(5~40%)±4%(41%~80%)
°C/°F Selection	√
Auto /Manual Power Off	√
Battery Indication	√
Temp. Resolution	0.1°C/0.1%RH
Humidity Resolution	0.1%RH
Max/Min Measurement	√

K-type Thermocouple Measuring	---
Sampling Frequency	2.5 times / sec

PACKING INFORMATION

Power	3*1.5V AAA battery
Product Net Weight	65g
Product Size	125*50*25mm
Packing	Blister
Standard Quantity Per Carton	40
Product Size	50*24*46cm
Standard Carton Gross Weight	8.57kg
