

FS-3500 Floor Stripper

Description

The Ohm-Shield™ FS-3500 Floor Stripper is a concentrate designed to safely and effectively remove multi-layers of floor finish and dirt. It is recommended to use floor stripper when first applying static dissipative floor finish to ensure long lasting floor finish adhesion.

When floor finish is properly applied to a clean floor it lasts longer, is easier to maintain, has ultra glossy shine and improved ESD performance.

Ohm-Shield™ FS-3500 has a low odor, safe solvent and surfactant system. It does not contain ammonia or phosphate. Coverage is approximately 10,000 - 15,000 sq. ft./gal. diluted. FS-3500 should be diluted 4:1.

FS-3500 is available in 1, 5, and 55 gallon containers.

Features

- Low VOC
- Increases finish coverage
- Easy to use
- Environmentally friendly
- Biodegradable
- Non-toxic
- Zero tribogeneration
- No ammonia
- No phosphates
- Low foaming

Directions

When using Ohm-Shield™ FS-3500, care must be used in handling the product. Rinse all residual stripper solution with neutralizer and on two flood washes of plain water.

Density @ 77° Fahrenheit	8.4 lbs./gallon
Color	Red
Water Solubility	100%
Active Ingredients	Proprietary
Free Ammonia	None
Odor	Mild
Freeze / Thaw Stability	3 Cycles
Shelf Life	1 year
Biodegradable	Yes

Warranty: Static Solutions expressly warrants that for a period of 1 year from the date of purchase any Static Solutions product will be free of defects in materials and will function within its specifications. Within the warranty period, the product will be repaired or replaced at Static Solutions option with no cost to the customer as long as Static Solutions receives notice during the warranty period. Defective products must be shipped prepaid to Static Solutions, Inc.'s factory. Call Static Solutions customer service at 978.310.7251 for a return authorization number. Include a copy of the invoice, packing slip, or other proof of purchase.

Warranty Exclusion: The foregoing express warranty is made in lieu of other product warranties express and implied, including merchantability and fitness for a particular purpose which are specifically or indirectly dis-claimed. The express warranty will not apply to defects or damage due to neglect, misuse, accidents, alterations, operator error, failure to properly maintain, follow instruction, or failure to clean or repair products.

Limit of Warranty: In no event will Static Solutions or seller be responsible or liable for special, incidental or consequential losses or damages, whether based on contract or the use of or inability to use the product. Before using the product users shall determine the suitability of the product for their intended use. The users assume all risk and liability whatsoever in connection therewith. Fulfillment of Static Solutions warranty obligations will be the customer's exclusive remedy and Static Solutions and seller's limit of liability for any breach of warranty or otherwise.
